power of play

welcome

Welcome to the 2020-2021 Discovery Toys' catalog. This catalog launches during a time of unprecedented change around the globe. The world we are in is much different from the one we all took for granted prior to Covid-19. Our thoughts are with all those impacted by this virus. While times have been both turbulent and uncertain, we want you to know that Discovery Toys has not wavered from its time-tested commitment to making a difference in the lives of children, their families and our team of Play Advisors.

We hope you & your family will find joy in exploring our 2020-2021 catalog, with exciting new high-quality learning products joining our award-winning top sellers. Further information can be learned from any of our Play Advisors as well as found on our website.

AUTISM & SPECIAL NEEDS

Nearly every toy in our catalog has an Autism Symbol that corresponds with the specific learning the toy supports. Use the following key to choose an appropriate toy for your child.

a Toys to develop independent play with some limited instruction.

b Toys that promote sustained engagement.

c Toys that build skills for cooperative play.

d Toys that create opportunities for kids to talk about their play experience.

e Toys with obvious completion criteria.

f Toys that encourage pretend play.

products that support S.T.E.A.M. learning

For additional product details check online or with your Discovery Toys Play Advisor!

There are very specific opportunities in child development. When you match the right toy with the right age and skill category, you're giving your child an invaluable head start in the learning process. These are the learning moments, and making them happen is what Discovery Toys is all about.

“I joined DT 38 years ago. It was a “WOW” for me and I knew that learning through play was important. I have earned over 30 incentive trips and sold over \$600,000 in my career and the “WOW” is still there. I couldn’t be happier to be a part of the Discovery Toys family!”
